# BISBEE-DOUGLAS INTERNATIONAL AIRPORT

Douglas / Cochise County, Arizona

AIRPORT MASTER PLAN - 1997

## TABLE OF CONTENTS

# *Technical Report*

### SECTION 1 : INTRODUCTION AND BACKGROUND

Airport Development: History & Background .....	1-1
Douglas Army Airfield: 1941-1948 .....	1-1
A New Regional Air Facility: 1949 .....	1-2
The U.S. Airline Industry: Development and Deregulation .....	1-2
Planning for the Future: 1956-1975 .....	1-4
Airport Development at BDI: 1979 to the Present .....	1-5
The Cochise County Airport System Plans: 1982 and 1994 .....	1-5
The National Plan of Integrated Airport Systems (NPIAS) .....	1-7
FAA Terminal Area Forecasts .....	1-8
Arizona Aviation System Plan .....	1-8
Use Restrictions on BDI Airport Property .....	1-9
Impacts of ADOC Development on Airport Land Use Restrictions .....	1-10

Figure 1-1: Planning Advisory Committee (PAC) Process

### SECTION 2 : INVENTORY OF EXISTING CONDITIONS

Introduction: Condition of Airport Facilities .....	2-1
Airport Pavement Condition .....	2-1
Airport Buildings Condition .....	2-3
Building #1 (Terminal Building) .....	2-3
Building #2 (Former Cannery/Warehouse) .....	2-4
Hangars #1, #2, #3 .....	2-5
Hangar #4 .....	2-6
Building #3 (Unoccupied) .....	2-6
Airport Utilities and Drainage .....	2-7
Drainage .....	2-8

Electricity, Telephone and Gas Service .....	2-8
Airport Visual Aids (Electrical) .....	2-8
Water System .....	2-9
Sewer System .....	2-9
Airport Fencing .....	2-10
Airport Financial Summary .....	2-10
Existing Airport Land Use .....	2-12
The Cochise County Airspace System .....	2-12
Airport Service Areas .....	2-14
Air Carrier Service Area .....	2-14
General Aviation Service Areas .....	2-16
Inventory of Based Aircraft .....	2-18
Short-Term Traffic Observations .....	2-20
Wind Data Analysis .....	2-21
16-knot Analysis .....	2-22
10.5-knot Analysis .....	2-23
Figure 2-1: Pavement Condition Index Map	
Figure 2-2: Building Area Key Map	
Figure 2-3: Building #1 - Airport Terminal Floor Plan Sketch	
Figure 2-4: Building #2 Floor Plan Sketch	
Figure 2-5: Hangars #1, #2, #3 Floor Plan Sketch	
Figure 2-6: Hangar #4 Floor Plan Sketch	
Figure 2-7: Building #3 Floor Plan Sketch	
Figure 2-8: Airport Drainage Map	
Figure 2-9: Airport Electrical & Gas Inventory Map	
Figure 2-10: Airport Water & Sewer Systems	
Figure 2-11: Airport Land Use Map	
Figure 2-12: Cochise County Airspace System Map	
Figure 2-13: Air Carrier Service Area Map (Arizona)	
Figure 2-14: General Aviation Service Areas Map	

### SECTION 3 : FORECASTS OF AVIATION ACTIVITY

Introduction .....	3-1
Types of Operations .....	3-1
FAA Aircraft Classifications .....	3-2
FAA Airport Classifications .....	3-4
Available Existing Activity Forecasts for BDI .....	3-4
National Plan of Integrated Airport Systems (NPIAS) Forecasts for BDI ..	3-5
1995 Arizona State Aviation Needs Study Forecasts for BDI .....	3-5
1994 Cochise County Airport System Plan Forecasts for BDI .....	3-7

Estimated Current Activity at BDI .....	3-7
Average Operations per Based Aircraft: Multiple Airport User Surveys ..	3-8
Actual Current Activity Estimate .....	3-9
Potential 1997 Activity Estimate .....	3-11
Forecast Methodologies .....	3-13
Cochise County Demographics .....	3-14
Based Aircraft at BDI .....	3-16
Forecast Assumptions .....	3-16
Forecast of Based Aircraft .....	3-17
Forecast of Annual Operations .....	3-18
Qualification of Results .....	3-20
Critical Aircraft Determination .....	3-21
BDI Critical Aircraft Design Fleet - ARC B-I Jets .....	3-23
BDI Critical Aircraft Design Fleet - ARC B-II Jets .....	3-24
BDI Critical Aircraft Design Fleet - ARC C-I Jets .....	3-25
BDI Critical Aircraft Design Fleet - ARC C-II Jets .....	3-26
BDI Critical Aircraft Design Fleet - ARC B-I Multi-Engine Propeller ....	3-27
BDI Critical Aircraft Design Fleet - ARC B-II Multi-Engine Propeller ...	3-28

Figure 3-1: Summary of Historical Data and Forecasts

Attachment: A Method of Estimating Annual Operations at Non-Towered Airfields (N.J. Pela & Associates - June, 1995)

SECTION 4	: DEMAND/CAPACITY ANALYSIS	
	Airport Seasonal Use .....	4-1
	Airport Capacity Calculations .....	4-2
	Runway Capacity - Existing and Ultimate Conditions .....	4-3
	Airport Hourly Demand Calculations .....	4-4
	Estimated Hourly Demand/Month - Potential 1997 Activity .....	4-5
	Estimated Hourly Demand/Month - Forecast 2016 Activity .....	4-6
	Annual Service Volume (ASV) .....	4-7
	Conclusions .....	4-8
	Typical Seasonal Use Trend Curves .....	4-8
SECTION 5	: STANDARDS COMPLIANCE	
	Defining Criteria .....	5-1
	Analysis .....	5-2
	Runway Object Free Area (OFA) - AC 150/5300-13 .....	5-2
	Runway Protection Zone (RPZ) - AC 150/5300-13 .....	5-3
	Runway Safety Area (RSA) - AC 150/5300-13 .....	5-4

FAR Part 77 Primary, Approach and Transitional Surfaces .....	5-4
Alternatives and Recommendations .....	5-6
Runway 17-35: Recommended Actions and Alternatives .....	5-6
Runway 8-26: Recommended Actions and Alternatives .....	5-7

Figure 5-1: Recommended Land Acquisitions (Existing Conditions)

## SECTION 6 : FACILITY REQUIREMENTS

Introduction .....	6-1
General Comparison of Key Competitive Service Area Airports .....	6-1
Airspace Considerations .....	6-2
Geographic Constraints, Terrain, and Compatible Land Use .....	6-2
Instrument Approach Capability .....	6-4
Historical Significance of the BDI Airport .....	6-5
Identification of Specific Niche Markets for BDI .....	6-6
General Requirements and Criteria .....	6-8
Primary Runway Requirements .....	6-9
Crosswind Runway Requirements .....	6-12
Instrument Approaches and Navigational Aids .....	6-14
Taxiway Requirements .....	6-15
Airport Lighting and Miscellaneous Requirements .....	6-16
Aircraft Parking and Storage Requirements .....	6-17
General Building Code and Occupancy Requirements .....	6-20
Terminal Building Requirements and Recommendations .....	6-20
Hangars #1, #2 and #3 Renovation Requirements and Recommendations ...	6-24
Hangar #4 Renovation Requirements and Recommendations .....	6-25
Building #2 Recommendations .....	6-26
Building #3 Recommendations .....	6-26
Automobile Parking and Access Requirements .....	6-27
Rotorcraft Facilities .....	6-28
Land Acquisitions .....	6-28
Development Phasing Plan .....	6-28
Immediate Term Development Plan .....	6-29
Short-Term Development Plan .....	6-30
Ultimate Term Development Plan .....	6-32
Preliminary Airport Building Budget Projections .....	6-34
Terminal Building Budget Estimate .....	6-34
Building #2 Budget Estimate (Vacant Cannery/Warehouse) .....	6-34
Building #3 Budget Estimate .....	6-35
Hangar #4 Budget Estimate .....	6-35
Hangar #1, #2 and #3 Budget Estimate .....	6-36

Attachment: FAA Airport Design Program Output

Figure 6-1: Recommended Terminal Area Layout

Attachment: Cochise County Automobile Parking Requirements for Commercial Development

## SECTION 7 : ALTERNATIVES ANALYSIS

Introduction .....	7-1
Development of Alternates .....	7-1
Development Alternative #1 .....	7-2
Development Alternative #2 .....	7-2
Development Alternative #3 .....	7-3
Development Alternative #4 .....	7-3
Development Alternative #5 .....	7-3
Development Alternative #6 .....	7-4
Matrix Evaluation Methodology .....	7-4
Safety and Economic Feasibility .....	7-5
Potential Obstructions to Air Navigation .....	7-5
Relative Wind Coverage .....	7-6
Development Costs .....	7-7
Instrument Approach Procedures .....	7-8
Summary of Matrix Evaluation .....	7-11

Attachments: Development Cost Estimates for Six Alternatives

Figure 7-1: Development Alternative #1
Figure 7-2: Development Alternative #2
Figure 7-3: Development Alternative #3 ( <i>Selected Alternate</i> )
Figure 7-4: Development Alternative #4
Figure 7-5: Development Alternative #5
Figure 7-6: Development Alternative #6

## SECTION 8 : ENVIRONMENTAL FACTORS

Introduction: The Environmental Review Process .....	8-1
Probable Environmental Impacts .....	8-3
Social Impacts .....	8-5
Induced Socioeconomic Impacts .....	8-5
Air Quality .....	8-5
Water Quality .....	8-7

Impacts Upon Public Recreation Areas & Historical/Cultural Resources	8-7
Biotic Communities - Flora and Fauna	8-8
Threatened and Endangered Species	8-9
Wetlands	8-9
Floodplains	8-10
Coastal Zone Management Programs & Coastal Barriers	8-10
Wild and Scenic Rivers	8-10
Conversion of Farmland	8-10
Energy Supply and Natural Resources	8-11
Light Emissions	8-11
Solid Waste Impacts	8-11
Construction Impacts	8-12
Aircraft Noise	8-13
Compatible Land Use	8-15
Miscellaneous	8-16
Summary of Findings	8-16

Attachments: Correspondence from environmental jurisdictional agencies.

Figure 8-1: Year 1997 Noise Exposure Analysis

Figure 8-2: Year 2016 Noise Exposure Analysis

## SECTION 9 : AIRPORT LAYOUT PLAN

Preparation of the Airport Layout Plan (ALP)	9-1
Refinement of Development Alternative #3	9-2
Development Phasing Plan	9-3
Phase 1: Immediate Term Development (1997-1999)	9-4
Phase 2: Short-Term Development (2000-2005)	9-5
Phase 3: Ultimate-Term Development (2006-2016)	9-6

Attachment: Capital Improvement Plan 1997-2016

Attachment: AIRPORT LAYOUT PLAN (10 SHEETS)

## SECTION 10 : PUBLIC INVOLVEMENT

Minutes:	Public Meeting #1 - November 21, 1996.
	Project Information Sheet #1 - November, 1996
Minutes:	Public Meeting #2 & Board of Supervisors meeting - April 3, 1997.
	Project Information Sheet #2 - March, 1997
	Project Information Sheet #3 - March, 1997
	Project Information Sheet #4 - April, 1997

SECTION II : APPENDIX

Minutes:	Project Kick Off Meeting - October 10, 1996
	Master Plan Schedule - October 10, 1996
Letter:	11/15/96, from Daryl B. Elam/PAC to R. D. Schreier (Working Paper #1 Review comments).
Letter:	11/18/96, from N. J. Pela to Daryl B. Elam/PAC (Response to above).
Report:	Pavement Investigation (11/15/96) - ATL, Inc.
Minutes:	PAC Meeting #1 - November 21, 1996
Minutes:	PAC Meeting #2 - January 23, 1997
Letter:	01/21/97, from Ray Boucher/ADOT to R. D. Schreier (Forecast Review Comments).
Letter:	01/26/97, from N. J. Pela to Ray Boucher/ADOT (Response to above).
Minutes:	PAC Meeting #3 - April 3, 1997
Letter:	04/7/97, from Ray Boucher/ADOT to Bruce Springer/Cochise County (Sections 6 and 7 Review Comments).
Letter:	04/10/97, from N. J. Pela to Ray Boucher/ADOT (Response to above).
Memo:	04/17/97, from Barbara Highfield to Linda Small documenting selection of Development Alternative #3 by majority vote of the PAC.
Letter:	04/17/97, from J. Art Macias, Jr., Director - City of Douglas supporting selection of Alternative #3.
Letter:	05/30/97, from Ray Boucher/ADOT to Bruce Springer/Cochise County (Draft ALP Review Comments).
Minutes:	PAC Meeting #4 - June 5, 1997
Letter:	06/20/97, from N. J. Pela to Ray Boucher/ADOT (Response to Draft ALP comment letter above).
Attachment:	<u>Bisbee-Douglas International Airport - Additional Improvements for Utilization as an Air Freight Hub</u>
